RE: 30-Day Post-General Report (10/14/2010 – 11/22/2010)

Mr. Whyrick,

The Committee is in receipt of the Commissions Request for Additional Information dated January 6, 2011 regarding 48-hour notices. A duplicate 48-hour notice was inadvertently filed with the Secretary of the Senate for 10/19/2010 because the committee had not yet received a confirmation fax so the committee submitted it again. Please note that the Committee's disclosure filing software was inadvertently omitting Joint Fundraising Memo Records, the Committee has included an amended 48-hour notice for the donors in question on 10/15 and 10/28/2010. The additional donors in question are discussed below:

- Robert Turner - \$1,900 – this contributions was returned the same day so the software does not pull 48-hour notices unless the aggregate total is equal to or greater than \$1,000
- Human Rights Campaign - \$2,412.66 – This in-kind notification from the PAC was not received until 10/26/2010 – an amended 48-hr notice is attached for the date made of 10/18/2010
- Janet Gehlhausen and Susan Taylor were originally reported on 48-hr notices from their spouses (John Gehlhausen and Robert Pew) and reattributed to them on the Post-General Report.

Also find attached the amended Schedule A's and Schedule B's for the following In-kind donors from the 30-Day Post-General Report that the committee was not notified about prior to the original filing:

- Carl Levin
- Joint Action Committee for Political Affairs (JAC)
